CANAVERAL NATIONAL SEASHORE TO CLOSE FOR SPACE SHUTTLE LAUNCH

In compliance with NASA directives Canaveral National Seashore at Playalinda Beach in Brevard county will close at 8:00 pm on June 4, 2007 in preparation for the June 8th Space Shuttle Launch.

In addition, parking lot #5 at Apollo Beach will close to vehicles and boats beginning Friday, June 1st. Visitors will be allowed up to parking area #4, which will be the road turn around point due to NASA camera requirements, which will block access at #5.

Both closures will remain in effect until the day after a successful launch unless notified otherwise. Please note that these dates are tentative, and may be modified or extended by NASA.
